## Education

### Dalhousie University

September 2019 – September 2022

#### ■ Expertise Acquired

- ☐ Object-Oriented Programming
- ☐ Project Management
- ☐ Producing Documentation
- ☐ Web Design
- ☐ Managing Tasks in a Team

## Projects

### Personal Network Attached Storage

- Using Unraid OS I setup Nextcloud in a Docker container to transition my cloud storage requirements onto self-hosted hardware.

### Digital Portfolio (In-Progress)

- I am in the process of designing a website to display examples of my work in an interactive way. I plan to eventually self-host it on my Unraid server.

## Volunteering

### Halifax County Exhibition

August 2022

#### ■ Expertise Acquired

- ☐ Managing In-Going and Out-Going Accounts
- ☐ Tracking and Updating Customer Records
